

Planned & Reactive Maintenance Services

- **Nationwide Service**
- **Planned Preventive Maintenance**
- **On Call 24 / 7 / 365**
- **2 Hour Response Time Available**

We constantly measure our own performance by a series of Key Performance Indicators (KPI's) ensuring that our customers receive the highest quality service. Lights out? Power failed? Kitchen unable to operate? Tills down? We will react promptly and efficiently.

Anytime Service 24/7

With over 100 electrical engineers available 24 hours a day, 365 days per year, we are able to provide a first-class nationwide electrical emergency call out service offering either a 2-hour or 4-hour response time.
